

World Ozone Day Celebration

Dt: 16.09.2025

As per the instructions of the Principal, Dr. Sangita Misra, Salipur Autonomous College, Salipur, celebrated World Ozone Day on September 16, 2025. The event was organized by YRC, NSS, and other units of the college.

Dr. Pradyumna Choudhury, former HOD, Department of Chemistry, Salipur Autonomous College, Salipur, was the invited resource person. He shared his expertise with the students on how to contribute to a healthier ozone layer, what actions to take and avoid, and the causes of ozone depletion. Other staff members were present, shared their insights, and cooperated to make the programme a success.
