

HIV/AIDS Awareness Programme-2025

As per letter no. 305/YRC, dated 4.10.24, the YRC and Red Ribbon Club Units of Salipur Autonomous College conducted a GK Competition on HIV/AIDS on 26th July 2025 and organized an Awareness Programme on HIV/AIDS on 28th July 2025 at the MS Auditorium of our college under the supervision of Principal, Dr. Sangita Misra.

A rally was carried out by the volunteers.

Mrs. Smita Mohanty, ICTC Counselor, CHC Salipur, acted as the Resource Person and created awareness among the students about HIV/AIDS—its causes, methods of prevention, and various related aspects.

Principal Dr. Sangita Misra, Mrs. Jayanteebala Parija, Dept. of Botany, YRC Counselor Miss Kamala Das, Lecturer in Economics, and YRC Co-Counselor Mr. Subhajit Nayak, Lecturer in English, shared their valuable insights and enlightened the students.

The winners (06 nos.) of the GK Competition on HIV/AIDS were felicitated by the Resource Person and the Principal Madam. Around 300 participants, including both students and faculty members, attended the event and made the programme a grand success.

A wall painting on HIV/AIDS awareness was created on the college campus on 29th July 2025 to spread awareness among students and the community.
