

SALIPUR AUTONOMOUS COLLEGE, SALIPUR

DEPARTMENT OF BOTANY

REPORT ON AUTONOMY SEMINAR

DATE: 20/01/2025

Department of Botany organised Autonomy Seminar on 20/01/2025 at 11 A.M. in M.S.Auditorium. Prof. Ranindra Kumar Nayak Prof. in Environmental Science, Director HRDC FM University, Balasore was the resource person of the occasion.

At the beginning of the seminar the guests lit the candle. Then floral welcome was done by the students to the guests. The meeting was addressed by the Principal Dr. Sangita Misra. The welcome address was given by H.O.D. Prof. Jayanteebala Parija. In her welcome address she briefly described regarding the departmental achievements in various fields. Guest introduction of resource person was given by Prof. Biraja Prasanna Sarangi. The resource person delivered his talk on "BIODIVERSITY CONSERVATION & MANGROVE VEGETATION IN COASTAL ODISHA". He described about the methods for biodiversity conservation i.e., ex situ & in situ conservation. He gave an idea how mangrove vegetation prevents the harmful effects of cyclone & flood.

At the end of the talk there was an interaction between the students and the resource person along with teachers. At last vote of thanks was given by Dr. Nibedita Sahoo to guest, faculty members and students.
